

## DEAR FRIENDS & PARTNERS...

Greetings to you today in the name of Jesus Christ! It is so exciting to be involved in God's business of reaping souls for His Kingdom. What a privilege to take the Good News to those who are lost and hurting. We have the answers they are seeking!

Thank you partners for your faithful support in continuing to help us take the Gospel to the world! I would like to thank all the pastors and churches who opened their pulpits to us this year and for the offerings you gave towards the fulfillment of this ministry. This summer has been very busy. Crystal and I have been traveling and ministering together. Michele travels with us, and sings with Crystal when home obligations allow. As of late that also includes caring for my aunt, Arrie, who at 92 yrs. young fell and broke her shoulder. We appreciate your prayers for her ongoing recovery. Angel & Trisha continue to live out-of-state, pursuing their careers. Sarah is at Valley Forge Christian College in Phoenixville, Pennsylvania. We sincerely desire your continued prayers for our family.

I am convinced that part of the worldwide assault on Christians throughout the earth has been the devil's attempt to put believers in fear so they will retreat from the last days harvest of nations. Although we need to be wise and to do what we can to protect ourselves in perilous times, we do **not** need to react in fear. We have felt the severe impact of these recent attacks, especially in our finances, but we are determined to stay faithful to the call to reach the lost and minister to the saints.

EVG. JIMMY DICKENS

I could write pages about the details of our needs, but I think most of you can imagine the expenses of maintaining a home and operating a ministry office/studio and traveling ministry. We need a miracle, but we know that is a simple task for our miracle-working God!

Over the past two years we have had an 80% decrease in our partner base. In fact, I have not taken a salary or housing allowance at all this year. We have had to cut back to just the bare necessities and Michele has taken on supplemental employment coupled with her other duties. Nevertheless, we have been at this a long time and intend to stay at it! The revivals, crusades and special services God has allowed us to hold this year have produced awesome results!

And we are not quitting!! The life-mission of all believers is to tell others how Jesus came “gave His life, a ransom” to redeem them to God.

## THE GREAT COMMISSION

Just before Jesus Christ ascended into heaven (Mark 16:15), He gave to His disciples the Great Commission, “...*Go ye into the entire world, and preach the gospel to every creature.*” At that moment every believer received a divine mandate from heaven— to be a Kingdom builder! Perhaps you don’t see yourself as a modern day Moses or Joshua, an Elijah or an apostle Paul, but you are called to play a strategic part in God’s plan to reach the world.

Your role is so absolutely vital because the results affect people’s eternal destinies.

The late J. Hudson Taylor, a dynamic English missionary to China during the 1800’s said, “The Great Commission is not an option to be considered, it is a command to be obeyed.” Will you become a Kingdom builder today along with other men and women of God...touching this generation with the good news of the gospel, winning souls to Jesus, healing the sick, and letting the oppressed go free?

Thank you for your prayer of agreement that our financial needs will be met today. I want to ask you to sow your seed today knowing that it WILL *“bring forth fruit and that your fruit will remain: that whatsoever ye shall ask of the Father in my name, He will give it to you.” Jn. 15:16*

May God grant you supernatural increase for every gift you sow.

Don't forget – when you make your gift to JDFM before December 31, 2009 your contribution will be eligible for tax deduction in this calendar year!

Continuing in Christ,

*Evangelist Jimmy Dickens*
